ABOUT THE CLEAR QURAN® Series

The Best Modern English Translation In The World!

THE CLEAR QURAN® series is one of the most eloquent attempts to masterfully and accurately capture the elegance and vigor of the Quran in the modern English language. Its clarity for an average reader is evident in the choice of easy to understand words and phrases that reflect the beauty, flow, and power of the original text. Along with just enough footnotes to clarify complex and contextual meanings, and brief chapter introductions,

this copy groups verses and titles them based on the theme of those verses (hence the word Thematic in the title) to provide internal coherence to readers – Muslims and non-Muslims alike. Thanks to the dedicated team of scholars, editors, and proofreaders led by Dr. Mustafa Khattab, we believe that THE CLEAR QURAN® Series is the finest translation of the Arabic Quran in the English language available today.

ABOUT THE TRANSLATOR

He was a member of the first team that translated the Ramadan night prayers (Tarawīh) live from the Sacred Mosque in Makkah and the Prophet's Mosque in Madinah (2002-2005). Dr. Khattab memorized the entire Quran in Arabic at a very young age. He received his Ph.D., M.A., and B.A. in Islamic Studies in English with Honours from Al-Azhar University's Faculty of Languages & Translation. He lectured on Islam at Clemson University (OLLI Program, 2009-2010), held the position of Lecturer at Al-Azhar University for over a decade starting in 2003, and served as the Muslim Chaplain at Brock University (2014-2016) and the University of Toronto in Mississauga (2019-2021). He is a member of the Canadian Council of Imams and a Fulbright Interfaith Scholar. 10. Jonás
(Yūnus)

Brief chapter Introduction

Similar al capítulo anterior, este capítulo del Corán fue revelado en La Meca, y hace énfasis en la aceptación del arrepentimiento por parte de Dios, en especial en el caso del pueblo de Jonás (versículo 98). Los reclusos paganos en contra del Corán son refutados tanto en este capítulo como en la siguiente. Se explica el breve período de esta vida mundana y la ingratitud de la gente hacia su Creador. Se insta al Profeta (ﷺ) a ejercer la paciencia frente a la negación. Son citadas las historias del pueblo de Noé y del pueblo del Faraón, como advertencias a los negadores mecanas, preparando así el escenario para advertencias más detalladas en el capítulo siguiente.

5. Él es Quien hizo que el Sol tuviese luz propia y determinó que la Luna reflejara su luz en distintas fases para que ustedes puedan computar el número de años y los meses. Dios creó esto con la verdad. Él explica los signos para gente de conocimiento. 6. En la sucesión de la noche y el día, y en lo que Dios ha creado en los cielos y en la Tierra, hay signos para la gente piadosa.

El origen de la creación

3. Su Señor es Dios. Creó los cielos y la Tierra en seis eras y luego se estableció sobre el Trono. Él es Quien decide todos los asuntos, nadie podrá interceder ante Él sin Su permiso. Ese es Dios, su Señor, adórenlo. ¿Es que no reflexionan? 4. Ante Él deberán comparecer todos, pues la promesa de Dios es verdadera. Él es

Spanish Only

About the Translation: This translation surpasses all previous Spanish translations for many reasons, including its reliance on classical exegesis works and lexicons and its modern language. This translation has been reviewed by a committee for both accuracy and style, thus making it a group project and not just an individual work. Sh. Isa Garcia's already great translation, in collaboration with Dr. Khattab, was modified into paragraph format with headings and chapter introductions to create this revised translation called El Corán Esclarecedor (The Clear Quran).

What makes this translation unique is that it has been edited by kids, for kids. Dr. Khattab has worked diligently with a team of students (mostly grades 2-5) to identify difficult words and replace them with easier ones that carry the same meaning.

As for the words they couldn't replace, they are explained in the glossary, along with the Arabic terms used in this book. With the help of qualified Islamic and public school teachers and professional editors, they made sure that the translation is accurate and accessible.

The last volume which contains most chapters taught and memorized by kids was released 1st, then working backwards to the last of the series, which completes the 4 volume set.

- This book has the potential to make the reader laugh, cry, reflect, and fall in love with the sirah of the Prophet. It's a masterpiece that should be in every home and read by every child.

THE MAJESTIC QURAN
